7.0	Hope VI, Mixed Finance Modernization or Development, Demolition and/or Disposition, Conversion of Public Housing, Homeownership Programs, and Project-based Vouchers. <i>Include statements related to these programs as applicable.</i>
8.0	Capital Improvements. Please complete Parts 8.1 through 8.3, as applicable.
8.1	Capital Fund Program Annual Statement/Performance and Evaluation Report. As part of the PHA 5-Year and Annual Plan, annually complete and submit the <i>Capital Fund Program Annual Statement/Performance and Evaluation Report</i> , form HUD-50075.1, for each current and open CFP grant and CFFP financing.
8.2	Capital Fund Program Five-Year Action Plan. As part of the submission of the Annual Plan, PHAs must complete and submit the <i>Capital Fund Program Five-Year Action Plan</i> , form HUD-50075.2, and subsequent annual updates (on a rolling basis, e.g., drop current year, and add latest year for a five year period). Large capital items must be included in the Five-Year Action Plan.
8.3	Capital Fund Financing Program (CFFP). <input type="checkbox"/> Check if the PHA proposes to use any portion of its Capital Fund Program (CFP)/Replacement Housing Factor (RHF) to repay debt incurred to finance capital improvements.
9.0	Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location. Housing Needs The waiting list for the Housing Choice Voucher Program was last opened for 4 months and closed 12/31/09, with an estimated 1900 applications completed. As of April 1, 2010 the Franklin County PHA has 2018 applications on the Section 8 waiting list: 1553 family and 465 elderly and/or disabled. Out of the 2018 applicants, 1853 or 92% are extremely low income.
9.1	Strategy for Addressing Housing Needs. Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan. Strategy for Addressing Needs 1) Maximize the number of affordable units available to the Franklin County PHA by initiating a high lease-up rate which includes: maintain or increase voucher payment standards that will enable families to rent throughout the jurisdiction; screen Section 8 applicants for violent criminal activity and illegal drug activity to increase owner acceptance of programs; and if necessary, market program to owners. 2) Target available assistance to families at or below 30% of AMI, and exceed HUD federal targeting requirements, if possible. 3) Target available assistance to the elderly and apply for special-purpose vouchers targeted to the elderly, should they become available. 4) Target available assistance to families with disabilities and apply for special-purpose vouchers targeted to families with disabilities, should they become available. 5) Increase awareness of Franklin County PHA resources assisting families and ethnicities with disproportionate needs. 6) Conduct activities to affirmatively further fair housing by informing voucher families as to location of units outside of areas of poverty or minority concentrations and assist them to lease those units and, if necessary, market the voucher program to owners outside of poverty/minority concentrations.

	<p>Additional Information. Describe the following, as well as any additional information HUD has requested.</p> <p>(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan.</p> <p>Mission Franklin County PHA is meeting the mission goals from the last 5-Year Plan (2005-2009). The PHA is progressing in meeting its mission: The voucher program provides over 1,000 families with adequate and affordable housing; the Family Self-Sufficiency program exceeds its minimum baseline with 980% of families enrolled and housing families experience a living environment free of discrimination.</p> <p>(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification"</p> <p>Goals Availability of new rental vouchers has been very limited or not available. New scoring methods for receiving vouchers have made it extremely difficult for Franklin County PHA to compete for new units. No new vouchers were received in the last 5 years.</p> <p>The SEMAP score for 2005 was 79%. In 2006, the SEMAP score was 76%. The SEMAP score in 2007 was 100%. The SEMAP score for 2008 was 97%. The last SEMAP score for 2009 was 103%. The last five year average is 91% for High Performer average.</p> <p>The Franklin County PHA increased assisted housing choices by providing portability counseling at briefings and annual reexaminations. Potential voucher landlords are sent voucher program information packets. The voucher payment standard has increased for all bedroom sizes in the past 5 years. The Franklin County PHA officially began the Homeownership Voucher program on 10/1/06. We have had five homeownership closings. There are currently 4 homeownership vouchers issued to families.</p> <p>The Franklin County PHA has submitted letters of support for affordable housing projects for tax credit housing projects in each of the last 5 years.</p> <p>The Franklin County PHA's FSS program has had 30 successful FSS contract completions in the last 5 years. During this period \$171,703.93 was released to these 30 families from FSS escrow accounts. The FSS program currently has \$98,456.52 in 40 family escrow accounts.</p> <p>During briefings, equal opportunity information is given to all families. Comparison of minority population and minority households participating in Franklin County PHA has been good, with no statistical evidence of discrimination.</p>
